## Trolleys, Shuttles and Vans

Based on your group's agenda, our team will expand this service to include personalized logoed shuttle-vans, to ensure your participants are taken care of. This includes, but is not limited to, transportation to and from the convention center at the start and end of each day, as well as transportation to and from the resort for participants who require last-minute trips to their room. Together with you, we will create a transfer logistics plan based on your group's agenda, number of participants, and event locations each day.

Should your group's activities extend past the provided service hours of 7:00 a.m. – 11:00 p.m., or should your team desire additional vehicles, routes or services over and above what is offered, your Group Sales Manager will be happy to source additional service quotes for you.

In the event that your group prefers to use another transportation service provider, or any other service providers, please notify your Group Sales Manager so confirmations and preparations can be made with those companies and our Transportation Manager and/or Catering and Events Managers.
